A picture's worth a \$125 gift card! At least it will be for one lucky winner. We are looking for your best photo of the Hood Canal area to be featured on the cover of our 2017 phonebook. For more information and to submit your entry, go to hcc.net/contests.

If you can't live without your computer, then you don't have time for lengthy repairs. HCC is now offering priority computer repair in our Union office. In most cases, you can drop your computer off today and pick it up tomorrow. An additional priority service fee applies. The service is only available in Union during the business week, and some restrictions may apply. Ask about priority computer repair when someone returns to the line.

Look for these new releases coming to video on demand in January: The Accountant, starring Ben Affleck (1/10), The Girl on the Train, starring Emily Blunt (1/17), and Jack Reacher: Never Go Back, starring Tom Cruise (1/31). Preferred cable customers can watch Hollywood's hottest hits anytime on channel 1.

Congratulations to our January Employee of the Month Bree Hartman. Learn why her peers are recognizing her, and which employee is celebrating 15 years at HCC in January at hcc.net/blog.
